COALITION FOR PRIVATE INVESTMENT IN CONSERVATION

About CPIC

Coalition for Private Investment in Conservation

- A **global, multi-stakeholder platform** focused on enabling conditions that support a **material increase in private, return-seeking investment in conservation**
- Founded by Cornell University, Credit Suisse, IUCN and The Nature Conservancy and launched at the World Conservation Congress in September 2016
- The Coalition has grown from 30 to **90+ members**, including public and private investors, project developers and conservation NGOs
- **South Pole has served as Platform Coordinator** since fall 2019
